Delhi University, Delhi
2020 - 2023

🧩 TECH SKILLS

HTML | CSS | JavaScript | Bootstrap | React.js | React-Native | React-Query | React-Redux | Ejs | Node.js | Express.js | MongoDb | JWT | Chakra-UI | Material-UI | Tailwind CSS

🧩 SOFT SKILLS

Creative thinking | Listening | Teamwork | Time management | Motivation

💼 PROFESSIONAL EXPERIENCE

Frontend Developer | FUTY
02/2025 – 07/2025
- Developed responsive web and mobile apps for a fantasy football game, enabling users to create teams, play matches, track scores, and share referral links with friends.
- Built intuitive user interfaces with React.js, React Native, and Tailwind CSS.
- Managed state and real-time data fetching using Redux Toolkit and React Query.
- Implemented referral functionality, allowing users to invite friends by sharing game links.
- Integrated RESTful APIs and optimized performance to ensure smooth gameplay

Full Stack Web Developer | Async-Auto
03/2023 – 01/2024
- Collaborated with cross-functional teams to develop responsive web applications using HTML, CSS, JavaScript, Ejs, Semantic UI, Reactjs, and Nodejs.
- Created efficient Express.js RESTful APIs
- Implemented version control using Git and collaborated with the team on GitHub for efficient code management.

🖱 PROJECTS

FUTY
FUTY is a fantasy football platform focused on the Premier League where users can create teams, compete weekly, and win rewards

Features:
- Multiple fantasy game modes such as Fantasy, GoalFest, and Time Machine, each offering unique gameplay experiences.
